These appropriations for medical service payments are made to pay for medical services for committed individuals and patients of institutions under the jurisdiction of the department of correction, the state department of health, or the division of mental health if the services are provided outside these institutions. These appropriations may not be used for payments for medical services that are covered by IC 12-16 unless these services have been approved under IC 12-16. These appropriations shall not be used for payment for medical services which are payable from an appropriation in this act for the state department of health, the division of mental health, or the department of correction, or that are reimbursable from funds for medical assistance under IC 12-15. If these appropriations to the budget agency are insufficient to make these medical service payments, there is hereby appropriated such further sums as may be necessary.

Direct disbursements from the above contingency fund are not subject to the provisions of IC 4-13-2.

C.H.O.I.C.E. IN-HOME SERVICES

Total Operating Expense	55,623,785	55,623,785
-------------------------	------------	------------

The foregoing appropriations for C.H.O.I.C.E./In-Home Services include intragovernmental transfers to provide the nonfederal share of the Medicaid aged and disabled waiver.

If the above appropriations for C.H.O.I.C.E./In-Home Services are insufficient to provide services to all eligible persons, the division of disability, aging, and rehabilitative services may give priority for services to persons who are unable to perform three (3) or more activities of daily living (as defined in IC 12-10-10-1.5). The division of disability, aging, and rehabilitative services may discontinue conducting assessments for individuals applying for services under the C.H.O.I.C.E./In-Home Services program if a waiting list for such services exists.

The division of disability, aging, and rehabilitative services shall conduct an annual evaluation of the cost effectiveness of providing home care. Before January of each year, the division shall submit a report to the budget committee, the budget agency, and the legislative council that covers all aspects of the division's evaluation and such other information pertaining thereto as may be requested by the budget committee, the budget agency, or the legislative council, including the following:

- (1) the number and demographic characteristics of the recipients of home care during the preceding fiscal year;
- (2) the total cost and per recipient cost of providing home care services during the preceding fiscal year;
- (3) the number of recipients of home care services who would have been placed in long term care facilities had they not received home care services; and
- (4) the total cost savings during the preceding fiscal year realized by the state due to recipients of home care services (including Medicaid) being diverted from long term care facilities.

The division shall obtain from providers of services data on their costs and expenditures regarding implementation of the program and report the findings to the budget committee, the budget agency, and the legislative council.

With the approval of the governor and the budget agency, an amount up to \$1,250,000 for each year of the biennium may be transferred from the above appropriation for client services to early childhood intervention services.

All of the above appropriations for developmentally disabled client services, less the detailed transfers described in this paragraph, shall be authorized and made available for agencies for disbursement only on a unit purchase of services basis. Rates for such services shall be determined in accordance with adopted rules based on wage and expense information from agencies providing these services. Agencies shall be paid for actual units provided to eligible recipients up to the limit of

the above appropriations and inclusive of social services block grant appropriations. Before any contract is prepared obligating fiscal year 1999-2000 appropriations, the division of disability, aging, and rehabilitative services must submit a listing of services to be purchased and the rates for such services to the budget agency for review and approval. After budget agency review and approval, the division shall notify each local agency of the services that have been authorized for purchase and shall limit all subsequent contracts to the services as authorized.

The above appropriations for client services include the intragovernmental transfers necessary to provide the nonfederal share of reimbursement under the Medicaid program for day services provided to residents of group homes and nursing facilities.

In the development of new community residential settings for persons with developmental disabilities, the division of disability, aging, and rehabilitative services must give priority to the appropriate placement of such persons who are eligible for Medicaid and currently residing in intermediate care or skilled nursing facilities and, to the extent permitted by law, such persons who reside with aged parents or guardians or families in crisis.

TEST FOR DRUG AFFLICTED BABIES

Total Operating Expense	67,200	67,200
-------------------------	--------	--------

The above appropriation for drug afflicted babies shall be used for the following purposes:

(1) All newborn infants shall be tested for the presence of a controlled substance in the infant's meconium if they meet the criteria established by the state department of health. These criteria will, at a minimum, include all newborns, if at birth:

(A) the infant's weight is less than two thousand five hundred (2,500) grams;

(B) the infant's head is smaller than the third percentile for the infant's gestational age; and

(C) there is no medical explanation for the conditions described in clauses (A) and (B).

(2) If a meconium test determines the presence of a controlled substance in the infant's meconium, the infant may be declared a child in need of services as provided in IC 31-34-1-10 through IC 31-34-1-13. However, the child's mother may not be prosecuted in connection with the results of the test.

(3) The state department of health shall provide forms on which the results of a

meconium test performed on an infant under subdivision (1) must be reported to the state department of health by physicians and hospitals.

(4) The state department of health shall, at least semi-annually:

(A) ascertain the extent of testing under this chapter; and

(B) report its findings under subdivision (1) to:

(i) all hospitals;

(ii) physicians who specialize in obstetrics and gynecology or work with infants and young children; and

(iii) any other group interested in child welfare that requests a copy of the report from the state department of health.

(5) The state department of health shall designate at least one (1) laboratory to perform the meconium test required under subdivisions (1) through (8). The designated laboratories shall perform a meconium test on each infant described in subdivision (1) to detect the presence of a controlled substance.

(6) Subdivisions (1) through (7) do not prevent other facilities from conducting tests on infants to detect the presence of a controlled substance.

(7) Each hospital and physician shall:

(A) take or cause to be taken a meconium sample from every infant born under the hospital's and physician's care who meets the description under subdivision (1); and

(B) transport or cause to be transported each meconium sample described in clause (A) to a laboratory designated under subdivision (5) to test for the presence of a controlled substance as required under subdivisions (1) through (7).

(8) The state department of health shall continue to evaluate the program established under subdivisions (1) through (7). The state department of health shall report the results of the evaluation to the general assembly not later than January 30, 2000, and January 30, 2001. The general assembly shall use the results of the evaluation to determine whether to continue the testing program established under subdivisions (1) through (7).

(9) The state department of health shall establish guidelines to carry out this program, including guidance to physicians, medical schools, and birthing centers as to the following:

(A) Proper and timely sample collection and transportation under subdivision (7) of this appropriation.

(B) Quality testing procedures at the laboratories designated under subdivision 5 of this appropriation

(C) Uniform reporting procedures

(D) Appropriate diagnosis and management of affected newborns and counseling and support programs for newborns' families.

(10) A medically appropriate discharge of an infant may not be delayed due to the results of the test described in subdivision (1) or due to the pendency of the results of the test described in subdivision (1).
